PRESS RELEASE

FIRE FIGHTING TRAINING, MOCK EXERCISE HELD AT PEMRA HEAD OFFICE

Employees of the Pakistan Electronic Media Regulatory Authority (PEMRA) attended a 3-day 'In-House Training Programme on Latest Fire Fighting Techniques' and mock exercise here at the PEMRA Headquarters on September 25-27, 2017.

The training programme was conducted by Mr Muhammad Abdul Hadi, Instructor/Fire Consultant, National Institute of Fire Technology Islamabad (NIFTECH) and Mr Mudassir Nawaz, Instructor/Fire Consultant, Directorate General of Civil Defence, Ministry of Interior.

During the course of training, the fire instructors shared basic information and awareness about fire fighting, types of fire, methods of fire extinguishing, evacuation of building in case of emergency and use of emergency exit etc. In all, 258 employees are working at the PEMRA head office.

On the concluding day (Wednesday), a mock exercise was also conducted in which PEMRA employees participated and displayed adequate knowledge and awareness about latest fire fighting techniques.
